Dear Affiliated centre,

Re: Weightlifting Wales sign up

Thank you for registering to become an affiliated centre of Weightlifting Wales. During the online registration you have confirmed that you have read and agreed with the following documents.

WW Memorandum and Articles of Association and Anti Doping Rules

WW Child Protection & Equity Policies and Code of Ethics & Conduct

All documents may be downloaded from the WW website. This pack outlines Weightlifting Wales Safeguarding policy.

It is vitally important that everyone involved in weightlifting in Wales is aware of their duty to safeguard the interest of young people participating in the sport. We have a range of guidance for our clubs and individuals to be able to do this. As an affiliated club, we can provide support to you and your appointed welfare officer/s to ensure that safeguarding is a key consideration within the club. A regional development officer will be in touch with you shortly to explain why and how you need to sign up to the Weightlifting Wales Safeguarding policy and what to do next.

We value the good work being carried out at affiliated centres and strive to continue providing support through coach education, Sport Wales funding guidance, contact with Regional development officers and other areas as mentioned on the WW website.

Best regards

Simon
